[ICT Programme](#)
You are here: [Home](#)

What can Ideal-ist do for you?

- [Find partners](#) for your ICT project idea
Your project idea will be distributed to over 55.000 international contacts interested in the ICT programme.

Our network provides appropriate partners within weeks - or even days - with a success rate of almost 100% and an average of 36 responses per partner search!
- Help you to join other [partner searches](#)
Your national Ideal-ist representative keeps you regularly informed about partner searches. [Simply register your interest.](#)
- [Find services](#) for helping you succeed in your ICT project
Ideal-ist puts at your fingertips services provided in your country by other projects, associations and networks to help you succeed in FP7.
- Keep you updated on the [ICT Programme](#)
- [Support you](#) on your way to a successful proposal
At international information events and thematic workshops we keep you updated on the ICT Programme.

We provide quick and effective insight on how the ICT programme works. We help you understand both the challenges and opportunities available and much more

- Inform you on relevant ICT events
